per week: 2 per level/semester: 28	
Form of the course: on-site learning	
Number of credits: 3	
Recommended semester: 1., 3.	
Educational level: II.	
Prerequisites:	
Course requirements:	
Scale of assessment (preliminary/final): 90/10	
Learning outcomes:	
The course helps students understand how to utilise creative writing in educational process. It focuses on the didactic aspects of creative writing as a method that can be used in teaching of Slovak language and literature, foreign language and literature as well as in teaching of other social sciences and humanities at all levels of education. Creative writing is presented as a creative methodology, which fosters the development of learner's capacities to research and explore creatively and which cultivates the personality of a learner by means of self-expression, self-understanding, self-reflection and self-learning. The key theoretical assumptions lying behind the creative writing approach will be introduced, but the main focus will be learning by doing – students will practise writing in a wide range of creative activities and etudes. After finishing the course the students will	
<ul style="list-style-type: none">• get an overview of what creativity is and what are the basic principles of enhancing creativity at schools;• learn some techniques enhancing general writing competence as well as literary competence,• be able to reflect on the creative process and creative products,• be able to apply the learned knowledge and skills to their own academic and creative activities.	
The course can be opted for mainly by students of pre-service teacher training programmes.	
Class syllabus:	
<ul style="list-style-type: none">- creativity, its development; synergy of language, literature and creativity; creative approach to teaching and learning;- techniques developing fluency, flexibility, originality and elaboration;- techniques developing lateral thinking, metaphorical expression and imagination;- techniques fostering generation of ideas, fast writing, selecting ideas, establishing a viewpoint;- techniques helping arrange information, structuring the text, and writing the rough draft;- techniques of text reduction, expansion, and transformation;;- techniques focused on minimalisation of expression;- techniques helping text reception and creation of short texts of poetic forms- assessment of text products.
