Approved by:	

COURSE DESCRIPTION

University: Comenius University in Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KEM/A-moET-001/15	Course title: Community Studies
Educational activities:	
Type of activities: seminar	
Number of hours:	
per week: 4 per level/semester: 56	
Form of the course: on-site learning	
Number of credits: 6	
Recommended semester: 2.	
Educational level: II.	
Prerequisites:	
Antirequisites: FiF.KEM/A-moET-021/17 FiF.KEM/A-moET-001/17	
Course requirements:	
1. active class participation (a maximum 2 absences are tolerated) 2. test 30% 3. project of local development 70%	
Learning outcomes:	
I. Theoretical part Students will get acquainted with selected concepts and approaches that focus on the study of social relations in ethnology, sociocultural anthropology. They will gain the ability to orient themselves in their methodological approaches, goals, subjects and objects of study. They can interpret and generalize all topics presented in the course and inventively find and follow current issues in society. II. Applied part The practical part is focused on the acquisition of skills in developing a project of local (community) development. The students will get acquainted with local development mainly through the concept of social capital and cultural potential of the locality. They will learn to process a project of such development in a specific selected location.	
Class syllabus:	
A. Theoretical part. Man and society 1. Introduction. Course syllabus and conditions 2. Community studies - characteristics of the area, history 3. Man and society. Status, role, control, norm, socialization 4. Social groups and social stratification 5. Types of companies. Political organization 6. Community - understanding 7. Small local community in Slovakia in traditional culture 8. Social changes in Slovakia and their impact on the form of social relations	
B. Applied part. Local development 1. Local development - definition, areas and approaches 2. Social capital and cultural potential in local development 3. Community development - goals, principles, methods	

4. Community development - community profile (neighborhood)
5. Community (social-development) work, Community organization
6. Interpretation of local heritage
7. Presentation of development projects

COURSE DESCRIPTION

University: Comenius University in Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KEM/A-moET-003/15	Course title: World Ethnicities
Educational activities:	
Type of activities: lecture / seminar	
Number of hours:	
per week: 2 / 1 per level/semester: 28 / 14	
Form of the course: on-site learning	
Number of credits: 5	
Recommended semester: 1., 3.	
Educational level: II.	
Prerequisites:	
Course requirements: 100% participation, active presentation During the semester, students will orally present a selected problem from one of the groups Indians (based on various sources). The evaluation of the presentation will be from the teacher and from other colleague students. This will become a condition for passing the test. The student will also prepare a translation of a folklore text from English-language collections, which are available in the library. The analysis of the text will be part of the oral exam. Scale of assessment (preliminary/final): 60%/40%	
Learning outcomes: Based on the completion of the course, the student is able to analyse a specific ethnocultural profile, situation and the history of ethnic groups of the world - according to the focus of the course in the relevant year (2020/21: North American Indians).	
Class syllabus: 1. Anthropogenesis / migration on the American continent 2. Pre-Columbian evidence of culture and way of life 3. Native American donors 4. Overview of the cultures of indigenous peoples (economic-cultural types) of North America 5. Indians of the northwest coast of North America (history of research) 6. Natural environment and way of earning a living 7. Manifestations of material culture (construction, housing, clothing) 8. Manifestations of spiritual culture - ceremonies of confirmation of status - suppression 9. Manifestations of artistic culture - fine arts (totem poles) 10. Manifestations of artistic culture - storytelling and storytellers 11. Mythology, cultural heroes, gender aspects of traditional communities 12. The current state of the cultural heritage of the Indians of the Northwest coast of North America
