STATE EXAM DESCRIPTION

Academic year: 2021/2022	
University: Comenius University Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KMJL/A-muMA-221/15	Course title: Methodology of the Hungarian Language and Literature
Number of credits: 3	
Educational level: D, II., N	
Course requirements: The student can take the state exam a) after obtaining at least such number of credits that after obtaining credits for successful completion of state exams, they achieve the necessary number of credits for the proper completion of studies, b) after successful completion of compulsory subjects, compulsory elective subjects, and elective subjects in the composition determined by the study program, c) after fulfilling the student's obligations arising from § 71, par. 3 letter b of the Higher Education Act, d) if no disciplinary action is taken against them. Successful completion of the state exam is one of the conditions for successful completion of the study program. The subject of the state exam is evaluated by the committee for state exams using the grading scale A-FX. The evaluation of the state examination or its part is decided by the examination committee by consensus. If the examination committee does not reach a consensus, the evaluation of the state examination or its part is decided by voting. On the basis of the wording of the study regulations of the faculty (Internal Rules and Regulations 5/2020, Art. 15), the framework dates of state examinations are set by the dean in accordance with the faculty's academic schedule. Departments are obliged to publish the dates of their state exams on the website no later than 5 weeks before they take place. The student registers for the state exam through the academic information system (AIS) at least three weeks before it takes place. The student is entitled to one regular and two resit attempts of the state exam. The regular attempt is the one for which the student applied for the first time within the deadline set for state exams. If the student was evaluated with the FX mark on the regular attempt of the state exam, the student may take resits of the state exam a) on the following dates assigned for state examinations in the relevant academic year or b) on the dates assigned for state examinations in one of the following academic years in accordance with § 65, par. 2 of the Higher Education Act. If the student is unable to come on the day of the state exam for which they have registered on serious grounds, they are obliged to apologize in writing to the chairman of the examination committee in advance or no later than three working days after the date of the state examination or its part, if there were serious obstacles that prevented them to do so in advance. If the student does not attend the state examination or its part without an excuse within the specified period, or if the chairman of the examination committee does not accept their excuse, they are assessed with the FX grade from that attempt of the state exam. Scale of assessment (preliminary/final): 0/100	
Learning outcomes:	

The student who passes the state exam has comprehensively mastered the issue of the state exam in the context of specified areas. The student has theoretical and practical skills based on the current state of information from the theory of knowledge organization and bibliometrics, as well as the ability to apply and use the skills creatively. He is able to apply the things he learned about knowledge organization and bibliometrics to interdisciplinary relationships, is able to think critically, offer solutions for the knowledge organization and bibliometrics problems, and use scientific arguments.
