Course requirements: 30% of the grade consists of a terminology test that students take during the semester. 70% of the grade consists of a term research paper and its presentation. Credit will not be awarded to a student who receives less than 60% of the total grade. The student will be allowed a maximum of 2 absences with documentation. Grading scale: A: 100-92; B: 91-84; C: 83-76; D: 75-68; E: 67-60; FX: 59 and less. The exact date and topics of the midterm assessment will be announced at the beginning of the semester. Examination dates will be announced through AIS no later than the last week of the instruction period. Violation of academic ethics will result in the loss of all received points in the relevant assessment. Scale of assessment (preliminary/final): Scale of assessment (preliminary/final): 30/70	
Learning outcomes: Students will consolidate their linguistic and translational competences, expand specific vocabulary from the thematic areas that they may encounter during community or guide interpreting from and into Spanish. They will become familiar with working with electronic dictionaries, corpora and terminology databases, and learn how to create glossaries. They will practise interpreting from a letter on actual journalistic texts, while improving their general overview of current events in Hispanophone countries. They will become familiar with basic terminology of international relations and European institutions.	
Class syllabus: 1. Introduction to the major Slovak and Spanish terminology databases and corpora. Explanation of the basic strategies for the creation and use of glossaries in technical translation and interpreting. 2. Reading of popular science texts and simpler technical texts focused on the economy, labour market, migration, health system, international relations and European institutions. 3. Exercises aimed at expanding vocabulary in the above-mentioned subject areas. 4. Interpreting from a letter. 5. Individual glossary creation. 6. Reading translational studies focused on specific problems of professional translation and interpreting.	

7. Understanding the text - working with technical dictionaries (explanatory, bilingual, terminological).
8. Issues of searching for equivalents (terms) in the mother tongue - training in searching and consultation of secondary technical literature.
9. Expansion of active vocabulary, training of the most common scientific and technical terms.
10. Text translation - emphasis on accuracy of technical translation.
11. Training in the translation of scientific/popular science texts from area of natural science.

COURSE DESCRIPTION

Academic year: 2021/2022	
University: Comenius University Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KAA/A-bpSZ-027/16	Course title: Computer-Assisted Translating 1
Educational activities: Type of activities: practicals Number of hours: per week: 2 per level/semester: 28 Form of the course: on-site learning	
Number of credits: 3	
Recommended semester: 3., 5.	
Educational level: I.	
Prerequisites:	
Antirequisites: FiF.KAA/A-bpSZ-027/15	
Course requirements: The course assumes that students have access to a computer running Windows 8 and higher or a Mac running Windows emulator. Continuous assessment of student performance in class during the semester (30% of the final grade). Assessment includes the student's ability to handle individual class assignments (working with translation software and glossaries) and homework that replicates class work using alternative texts. The course ends with a test, which consists of the translation of 1 standard page of text in translation software from Slovak into the language of the student. The test does not evaluate the translation aspect, but only the technical ability to work with the software. The test usually takes place in the last week of the semester and is available on-site and online. The final test makes up 70% of the evaluation. Classification scale: 100% - 91% - A 90% - 81% - B 80% - 71% - C 70% - 61% - D 60% - 51% - E 50% - 0% - FX Teachers accept a maximum of 2 absences with proven documents . Scale of assessment (preliminary/final): 30% continuous evaluation, 70% final evaluation	
Learning outcomes: After completing the course, the student is able to work with translation software and can apply the acquired knowledge and principles not only on one, but also on several translation softwares. Skills include basic software skills - creating and working with translation memories, project and glossary management as well as advanced knowledge, including working with parallel texts, conversions of various input document formats, and project management of translation teams. Students will be able to identify and overcome potential technical difficulties and solve compatibility problems on their own. The graduate masters the basic principles of post-editing and working with machine translation from various providers.	
Class syllabus: 1. Working with a license and school VPN 2. Creating a project, the principle of operation of the translation memory 3. Uploading an additional document into the project, pre - translation 4. Working with tags, document editing after exporting from CAT 5. Creating a translation memory from parallel texts and exporting them 6. Working with glossaries; conversion of external glossary	

and its import into the terminology database 7. Working with external sources of translation memories; memory conversion and its export via .tmx files 8. Translation of subtitles in the CAT tool, principles of working with .srt and .sub files 9. Project backup; receiving and sending project packages 10. Working on a joint online project 11. Machine translation plug-ins and APIs in CAT tools. 12. Post-editing exercises 13. Simulated test; clarification of possible issues

Educational activities: Type of activities: seminar Number of hours: per week: 2 per level/semester: 28 Form of the course: on-site learning	
Number of credits: 2	
Recommended semester: 2.	
Educational level: I.	
Prerequisites:	
Course requirements: Active participation in class and discussions + presentation of a pre-arranged topic (50 points). Students will also be required to take a written test at the end of the semester (50 points). Grading scale: A: 100-90 B: 89-80 C: 79-73 D: 72-66 E: 65-60 FX 59 and less. The exact date and topics of the midterm assessment will be announced at the beginning of the semester. Examination dates will be announced through AIS no later than the last week of the instruction period. The Teacher will accept a maximum of 2 absences with documentation. Violation of academic ethics will result in the loss of all received points in the relevant assessment. Scale of assessment (preliminary/final): Scale of assessment (preliminary/ final): 50/50.	
Learning outcomes: This course focuses on various areas of life in Spain - demographics, politics, educational system, etc., through which the student develops an overall picture of Spain during the 20th and 21st centuries. Our goal will be to familiarize the student with the developments in the mentioned areas of life in Spain. After explaining the theoretical parts, we would assess their language skills and their ability to debate logically about topics using appropriate terminology. Both the theoretical and practical part of the course require a comparative perspective with the situation in the respective areas in Slovakia. After the above is fulfilled and the exam is successfully completed, students should achieve the goal of mastering correct terminology, know the basic concepts in both languages, look for information on the topics and be able to argue and discuss each of the topics covered.	
Class syllabus: 1. Introduction to the concept of culture, introduction of Spain, brief historical context 2. Civil War and collective memory: an open wound 3. Geographical, demographic and regional issues (autonomous communities, regional differences, migration, linguistic diversity...) 4. Weather: is it always sunny in Spain? (climate zones and climatic phenomena). 5. Time, schedule and the concept of time in Spain (time zones in Spain and their historical rationale, siesta ...)	

6. The contemporary political panorama, the political system and the distribution of power, the monarchy and the controversy surrounding it.
7. The educational system and science in Spain (how is education structured, what problems does it have, brain drain...)
8. Health and the health system (general issues, euthanasia laws...)
9. Machismo, sexist violence and feminism in Spain (inequalities, abortion laws ...)
10. Spanish economy (tourism as a basic source of income, economic crises, poverty and inequality)
11. The LGBT movement and diversity in Spain (historical context and current panorama)
12. Religion (different religions, religion in the educational system...)
13. Leisure culture and gastronomy (bars, fiestas, tapas, regional festivals, bullfights ...)
14. Spanish fiction and music

Course ID: FiF.KAA/A-bpSZ-004/15	Course title: Translation Studies 2
Educational activities: Type of activities: lecture Number of hours: per week: 2 per level/semester: 28 Form of the course: on-site learning	
Number of credits: 4	
Recommended semester: 4.	
Educational level: I.	
Prerequisites:	
Course requirements: The course is assessed by a combination of continuous assessment (short tests during the semester, always after the lecture: 50% of the final grade) and a final test (50% of the final grade). The questions in the short tests are aimed at recapitulating the basic concepts covered in the lecture, and the tests are administered through an electronic interface (moodle). The questions in the final test are aimed at verifying the extent to which students have mastered and understood basic concepts in the field of interpreting theory and practice. The date of the final test will be announced by the instructor at least two weeks before the deadline, and usually two dates are offered to students, via AIS. Grading Scale: 100% - 91% - A 90% - 81% - B 80% - 71% - C 70% - 61% - D 60% - 51% - E 50% - 0% - FX The instructor will accept a maximum of 2 absences with documented evidence. Scale of assessment (preliminary/final): 50/50 (%)	
Learning outcomes: Upon completion of the course, students will have a basic understanding of key theoretical and practical concepts in the field of interpreting. The body of knowledge builds on, develops, and adds to the basic translational concepts and specifics in the field of interpreting. Students have a clear understanding of the types, genres, and techniques of interpreting, their applications, and the basic models that describe them. They also understand what the basic cognitive and communicative models of interpreting are, know the specifics of both simultaneous and consecutive interpreting, and know their history and prerequisites for successful implementation. They shall have a basic understanding of the deontology of interpreting and the development of the competences necessary for interpreting.	
Class syllabus:
