STATE EXAM DESCRIPTION

Academic year: 2021/2022	
University: Comenius University Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KAA/A-muAN-401/15	Course title: English Language Teaching Methodology
Number of credits: 3	
Educational level: D, II., N	
Course requirements: Conditions for successful completion of course: All matters pertaining to state examinations (conditions of the examination, deadlines, assessment, examination board, participation) are set out in Article 15 of the Study Regulations of the Faculty of Arts. One component of state examinations in the MA teaching degree programme at the Department of British and American Studies in English Language Teaching Methodology, which takes the form of a didactic project (lesson plans based on the specifications below), by which the students have to demonstrate their ability to prepare a meaningful lesson plan and, in the course of its defence, to answer relevant questions from the theory of teaching and education. The purpose of the state exams is to determine whether students are well-grounded in English language teaching theory and able to apply it appropriately in the Slovak educational environment. To that end, the student prepares two (2) 45-minute English language lesson plans (template available), with the understanding that one lesson follows the other. Students submit their lesson plans by the deadline set by the department. Any teaching aids that are part of their lesson plans, e.g. pictures, flashcards, etc., must be submitted as well. At the exam explain the theory (or theories) upon which their lesson plans, activities, and assignments are based and their reasonings for laying the lesson out as they did. Examiners may ask questions concerning any aspect of the lesson plans and their objectives, as well as questions about the intended group of learners (i.e., aspects such as the characteristics of that age group, classroom management, and types of interaction). Use of professional terminology is expected. Assessment: Students are assessed on their knowledge of English language teaching methodology and theory as it relates to the components of and factors in their lesson plans. English language proficiency, as well the ability to provide explanations and give instructions appropriately, are also taken into consideration. Level C1 and above is expected. The target students, their educational level, their level of language proficiency (according to CEFR), the group size, and all other variables need for the didactic project (i.e., lesson plans) are determined by lottery. The target group for the second lesson plan does not change, but the following variables can be changed by the student according to their own preference: time of the day, language skill, target language, and topic. Variables A. ISCED Level: Lower or Upper Secondary B. Grade, Age, and CEFR Language Level · Lower secondary: 5th-8th grades in a 9-year primary school 7th grade (12-13 years old); prima-tercia in an 8-year secondary school · Upper secondary: 4-year program; 5-year bilingual program; vocational school C. Size and Make-up of the Group D. Day and Time	

E. Target Language Skill: Speaking, Listening, Reading, Writing F. Topic (topics are listed below in the “Content of State Examination” section) Assessment coursework/final exam: 0/100% Scale of assessment (preliminary/final): 0/100 (%)
Learning outcomes: Learning outcomes Upon successful completion of the state examination, students will have demonstrated the following: · a basic knowledge of the psychological and linguo-didactic foundations of English language teaching, and the foundations of the theory of foreign language teaching · a basic knowledge of various methods, approaches, techniques, classroom management solutions, forms of testing, and classroom activities appropriate for the teaching of all language skills: speaking, listening, reading, and writing · the ability to appropriately use various teaching techniques and technology relevant to the content and/or teaching objective · the ability to plan and organise lessons of English as a foreign language in accordance with government and EU policy (i.e., the updated National Curriculum and the Common European Framework of Reference for Languages) · the ability to develop teaching materials and curricula · the skills to prepare and implement a an English language lesson in practice based on government requirements and teaching objectives
Class syllabus: Brief outline of the course: 1. The student briefly presents (but does not read) their project to the members of the state exam committee. 2. The student responds in depth to comments and questions from the feedback received in advance. 3. The student responds to any additional comments and questions from the committee members in a discussion. 4. The student responds to related questions on the theory of foreign language teaching. 5. Non-public discussion and decision by the commission members assessing the defence of the didactic project (i.e., their lesson plans). 6. Announcement of the final assessment of the defence and didactic project.
State exam syllabus: Content of the state examination course: Topic 1. Family & Society 2. Home & Housing 3. The Human Body & Healthcare 4. Transportation & Travel 5. Education 6. Humans & Nature 7. Free Time, Hobbies, & Lifestyle(s) 8. Meals & Eating Habits 9. Multicultural Society 10. Clothing & Fashion 11. Sport 12. Shopping and Services 13. Countries, Towns, & Places

Educational activities: Type of activities: lecture / seminar Number of hours: per week: 1 / 1 per level/semester: 14 / 14 Form of the course: on-site learning, distance learning	
Number of credits: 3	
Recommended semester: 1.	
Educational level: D, II., N	
Prerequisites:	
Course requirements: Midterm exam: development of a lesson proposal and implementation of a short teaching sequence lasting no more than 20 minutes during the semester. Active participation, especially in trying out teaching methods and providing feedback on teaching practices, is essential. In addition, occasional assignments should be made in preparation for the seminar. (30 per cent - the mark achieved counts as a single mark) In the examination period: written justification, presentation and reflection of the teaching sequence in a seminar paper of approximately 6 pages. (70 percent - the grade earned counts double). Independent preparation and implementation of the teaching sequence, with a minimum grade of E, is a prerequisite for admission to the examination. Violation of academic ethics will result in the cancellation of the points achieved in the relevant area. Grading scale: A: 100 - 91%, B: 90 - 81%, C: 80 - 73%, D: 72 - 66%, E: 65 - 60%, Fx: 59 - 0% The instructor will accept a maximum of 2 absences with documented evidence. Scale of assessment (preliminary/final): Weighting of midterm/final grades: 30/70	
Learning outcomes: Students will be introduced to learner-centered approaches to the didactics of literature that are appropriate for teaching German as a foreign language. They are aware of the importance of literary texts in foreign language teaching and are able to use them in a targeted way to promote motivation to learn German as well as linguistic, intercultural, literary and aesthetic competences. Students will gain experience in micro-teaching and peer learning, and can develop, test and critically evaluate ideas and tasks for teaching. They are able to record the results of their work and learning processes in a structured lesson reflection.	
Class syllabus: The first section covers the following topics: 1. Literary texts in German as a foreign language lessons at school - why? 2. Literary theory and didactics of literature: reception aesthetics and literary education 3. Testing learner-centred methods: activity-oriented teaching and product-oriented teaching 4. Testing learner-centred methods: Literary conversation 5. Intercultural learning in German as a foreign language classes	

6. Aesthetic learning in German as a foreign language classes 7. Lesson planning: how to proceed, what to watch out for, how to structure? 8. Common reflections on the didacticisation of texts In the second part, students present their own teaching sequences and give feedback to each other (microteaching, peer learning).

Learning outcomes: Students have core competencies which together form the main prerequisites for their history teaching in each type of school. These are especially; the competence to define the main categories, the essential features of teaching history, then the competence to carry out goal-oriented activities, to work actively with the structure of learning objectives and to cognitively differentiate and rate them. Another competence the students possess is to arrange learning paths - methods and, on their basis, to stage learning figures - situations and, consequently, to reflect on their own teaching.	
Class syllabus: 1. On the problem of diagnosing and revealing the lived present relation of pupils to the past. 2. Past - present - future as a temporal structure of the world. 3. Reflected handling of the categories of time, space, society, economy, government, power, change and continuity, reality, and fiction, right and wrong. 4. Fostering the ability to temporalize and dimensionalize historical events. Differentiating students' ability to say "we" about different groups in the perspective of time. Recognizing and problematizing social differences and forms of governance in a particular society. Reflecting on the changeability of phenomena. Debunking legends and myths and distinguishing between contemporary and historical norms. 5. Goal-oriented activity, active planning of the history teacher and his/her orientation in the structure of learning objectives. 6. The teacher's ability to cognitively differentiate and cognitively grade learning objectives, learning tasks and questions, and test items according to difficulty. 7. Theoretical background - Bloom's taxonomy (1956, 2001). 8. Didactic analysis of the thematic unit of learning (analytical definition of the individual meanings of the thematic unit, analysis of the structure of the learning objectives, methodological analysis). 9. The	

problem of the internal structure of the learning content - theoretical basis Jerome Bruner, practical methods, and forms of work in teaching oriented to the internal structure. 10. Methodological principles of teaching history 11. Arranging learning paths - methods of history teaching 12. Staging learning figures, learning situations 13. The problem of reflection of the teacher's teaching and his pupils' learning.

STATE EXAM DESCRIPTION

Academic year: 2021/2022	
University: Comenius University Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KPg/A-muPE-992/15	Course title: Methodology of Pedagogy
Number of credits: 3	
Educational level: D, II., N	
Course requirements: The student can take the state exam a) after obtaining at least such number of credits that after obtaining credits for successful completion of state exams, they achieve the necessary number of credits for the proper completion of studies, b) after successful completion of compulsory subjects, compulsory elective subjects, and elective subjects in the composition determined by the study program, c) after fulfilling the student's obligations arising from § 71, par. 3 letter b of the Higher Education Act, d) if no disciplinary action is taken against them. Successful completion of the state exam is one of the conditions for successful completion of the study program. The subject of the state exam is evaluated by the committee for state exams using the grading scale A-FX. The evaluation of the state examination or its part is decided by the examination committee by consensus. If the examination committee does not reach a consensus, the evaluation of the state examination or its part is decided by voting. On the basis of the wording of the study regulations of the faculty (Internal Rules and Regulations 5/2020, Art. 15), the framework dates of state examinations are set by the dean in accordance with the faculty's academic schedule. Departments are obliged to publish the dates of their state exams on the website no later than 5 weeks before they take place. The student registers for the state exam through the academic information system (AIS) at least three weeks before it takes place. The student is entitled to one regular and two resit attempts of the state exam. The regular attempt is the one for which the student applied for the first time within the deadline set for state exams. If the student was evaluated with the FX mark on the regular attempt of the state exam, the student may take resits of the state exam a) on the following dates assigned for state examinations in the relevant academic year or b) on the dates assigned for state examinations in one of the following academic years in accordance with § 65, par. 2 of the Higher Education Act. If the student is unable to come on the day of the state exam for which they have registered on serious grounds, they are obliged to apologize in writing to the chairman of the examination committee in advance or no later than three working days after the date of the state examination or its part, if there were serious obstacles that prevented them to do so in advance. If the student does not attend the state examination or its part without an excuse within the specified period, or if the chairman of the examination committee does not accept their excuse, they are assessed with the FX grade from that attempt of the state exam. Scale of assessment (preliminary/final): 0/100	
Learning outcomes:	

A student who passes the state exam comprehensively manages the issue of the state exam in the context of specified areas. STATE EXAM DESCRIPTION

Academic year: 2021/2022	
University: Comenius University Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KMJL/A-muMA-221/15	Course title: Methodology of the Hungarian Language and Literature
Number of credits: 3	
Educational level: D, II., N	
Course requirements: The student can take the state exam a) after obtaining at least such number of credits that after obtaining credits for successful completion of state exams, they achieve the necessary number of credits for the proper completion of studies, b) after successful completion of compulsory subjects, compulsory elective subjects, and elective subjects in the composition determined by the study program, c) after fulfilling the student's obligations arising from § 71, par. 3 letter b of the Higher Education Act, d) if no disciplinary action is taken against them. Successful completion of the state exam is one of the conditions for successful completion of the study program. The subject of the state exam is evaluated by the committee for state exams using the grading scale A-FX. The evaluation of the state examination or its part is decided by the examination committee by consensus. If the examination committee does not reach a consensus, the evaluation of the state examination or its part is decided by voting. On the basis of the wording of the study regulations of the faculty (Internal Rules and Regulations 5/2020, Art. 15), the framework dates of state examinations are set by the dean in accordance with the faculty's academic schedule. Departments are obliged to publish the dates of their state exams on the website no later than 5 weeks before they take place. The student registers for the state exam through the academic information system (AIS) at least three weeks before it takes place. The student is entitled to one regular and two resit attempts of the state exam. The regular attempt is the one for which the student applied for the first time within the deadline set for state exams. If the student was evaluated with the FX mark on the regular attempt of the state exam, the student may take resits of the state exam a) on the following dates assigned for state examinations in the relevant academic year or b) on the dates assigned for state examinations in one of the following academic years in accordance with § 65, par. 2 of the Higher Education Act. If the student is unable to come on the day of the state exam for which they have registered on serious grounds, they are obliged to apologize in writing to the chairman of the examination committee in advance or no later than three working days after the date of the state examination or its part, if there were serious obstacles that prevented them to do so in advance. If the student does not attend the state examination or its part without an excuse within the specified period, or if the chairman of the examination committee does not accept their excuse, they are assessed with the FX grade from that attempt of the state exam. Scale of assessment (preliminary/final): 0/100	
Learning outcomes:	

The student who passes the state exam has comprehensively mastered the issue of the state exam in the context of specified areas. The student has theoretical and practical skills based on the current state of information from the theory of knowledge organization and bibliometrics, as well as the ability to apply and use the skills creatively. He is able to apply the things he learned about knowledge organization and bibliometrics to interdisciplinary relationships, is able to think critically, offer solutions for the knowledge organization and bibliometrics problems, and use scientific arguments.

Educational activities: Type of activities: practice Number of hours: per week: per level/semester: 1t Form of the course: on-site learning, distance learning	
Number of credits: 2	
Recommended semester: 4.	
Educational level: D, I., N	
Prerequisites:	
Course requirements: a) during the teaching part (continuously): Before the beginning of the teaching practice at the beginning of the semester, an introductory meeting with mandatory participation is held, the content of which is to familiarize with the course of the practice and the conditions for its completion. Completion of 5 visits and analyses at the training school is compulsory. Upon completion of the practicum, students submit a practicum report, focusing on selected aspects of the teaching observation, to the didactic teacher responsible for the organisation of the practicum. Absences from group visits are only accepted in justified cases with documented evidence and are made up where possible. The student must achieve a minimum success rate of 60%. (b) In the examination period: 100% pass mark. Violation of academic ethics will result in the nullification of the points earned in the relevant assessment item. Grading Scale. A: 100 - 91%, B: 90 - 81%, C: 80 - 73%, D: 72 - 66%, E: 65 - 60%, Fx: 59 - 0% The exact dates of the practicum and the practicum school will be announced at the beginning of the semester. Scale of assessment (preliminary/final): 100/0	
Learning outcomes: The student will acquire the basic ability to observe German teaching, focus on selected aspects of the observation, and produce a protocol of practice. At the same time, the student is able to reflect on teaching and ask questions about the observation as part of the analysis.	
Class syllabus: Before the beginning of the teaching practice at the beginning of the semester, an introductory meeting is held at the faculty with compulsory participation, the content of which is familiarization with the course of the practice and the conditions for its completion. Students will complete Teaching Practice 1 in selected mock schools under the supervision of a trainee teacher in groups. The practice involves a 5 lesson observation followed by a debriefing with the trainee teacher. At	

the end of the placement, the student completes a placement report, which is handed over to the didactic teacher responsible for the organisation of the placement.

Recommended semester: 3.	
Educational level: D, II., N	
Prerequisites:	
Course requirements: a) during the teaching part (continuously): before the beginning of the teaching practice at the beginning of the semester, there is an introductory meeting with compulsory participation, the content of which is familiarization with the course of the practice and the conditions for its completion. The internship includes 15 hours, of which 10 hours are to be completed by the student and 5 hours are to be spent in an initial interview, preparation consultation and analysis of the lessons with the trainee teacher. After the completion of the practice, the student completes a practice report, which is handed over to the didactic teacher responsible for the organisation of the practice. In the practice report, the student describes in detail one lesson implemented, with detailed preparation and self-reflection. The student must achieve a minimum success rate of 60%. (b) In the examination period: 100% pass mark. Violation of academic ethics will result in the nullification of the points earned in the relevant assessment item. Grading Scale. A: 100 - 91%, B: 90 - 81%, C: 80 - 73%, D: 72 - 66%, E: 65 - 60%, Fx: 59 - 0% The exact dates of the practicum and the practicum school will be announced at the beginning of the semester. Scale of assessment (preliminary/final): 100/0	
Learning outcomes: The student is able to prepare different lessons for a specific group/class, focusing on different didactic objectives. The student is able to test the prepared teaching procedures in practice and to teach individual lessons in an adequate way. Has the ability to carry out self-reflection of his/her teaching, highlighting positive moments and analysing problematic steps.	
Class syllabus: Before the beginning of the teaching practice at the beginning of the semester, an introductory meeting is held at the faculty with compulsory participation, the content of which is familiarization with the course of the practice and the conditions for its completion. Students will complete 3 teaching practicums in selected practicum schools independently under the supervision of a	

practicum teacher. The practice includes 15 hours, of which 10 hours the student will teach independently and 5 hours will be devoted to the initial interview, consultation of the preparation and analysis of the lessons taught with the trainee teacher.

Upon completion of the practical placement, the student submits to the didactic teacher responsible for the organisation of the practical placement a report of the practical placement, focusing on selected aspects of the lesson observation.
