COURSE DESCRIPTION

Academic year: 2021/2022	
University: Comenius University Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KJ/A-moCJ-101/12	Course title: Creative Writing for Teachers 1
Educational activities: Type of activities: seminar Number of hours: per week: 2 per level/semester: 28 Form of the course: on-site learning	
Number of credits: 3	
Recommended semester: 1., 3.	
Educational level: II.	
Prerequisites:	
Course requirements: The Department of Languages determines the number of acceptable absences as follows: two absences (four in the case of a 4-hour subsidy if the two two-hour-sessions are taught continuously in one week) are acceptable without the obligation to submit the proof of non-attendance. In case of another (i.e. third/fifth) absence, a notice of conditional exclusion from the course follows. A subsequent absence (i.e. the fourth/sixth absence) means the final exclusion from the course. In case of serious health problems, representation abroad, or other unforeseen circumstances or serious circumstances not listed here, it is necessary to discuss this in advance with the teacher and agree on appropriate an course of action. Scale of assessment (preliminary/final): 90/10	
Learning outcomes: The course helps students understand how to utilise creative writing in educational process. It focuses on the didactic aspects of creative writing as a method that can be used in teaching of Slovak language and literature, foreign language and literature as well as in teaching of other social sciences and humanities at all levels of education. Creative writing is presented as a creative methodology, which fosters the development of learner's capacities to research and explore creatively and which cultivates the personality of a learner by means of self-expression, self-understanding, self-reflection and self-learning. The key theoretical assumptions lying behind the creative writing approach will be introduced, but the main focus will be learning by doing – students will practise writing in a wide range of creative activities and etudes. After finishing the course the students will <ul style="list-style-type: none"> • get an overview of what creativity is and what are the basic principles of enhancing creativity at schools; • learn some techniques enhancing general writing competence as well as literary competence, • be able to reflect on the creative process and creative products, • be able to apply the learned knowledge and skills to their own academic and creative activities. The course can be opted for mainly by students of pre-service teacher training programmes.	
Class syllabus: - creativity, its development; synergy of language, literature and creativity; creative approach to teaching and learning;	

- techniques developing fluency, flexibility, originality and elaboration;
- techniques developing lateral thinking, metaphorical expression and imagination;
- techniques fostering generation of ideas, fast writing, selecting ideas, establishing a viewpoint;
- techniques helping arrange information, structuring the text, and writing the rough draft;

Academic year: 2021/2022	
University: Comenius University Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KJ/A-moCJ-102/13	Course title: Creative Writing for Teachers 2
Educational activities: Type of activities: seminar Number of hours: per week: 2 per level/semester: 28 Form of the course: on-site learning	
Number of credits: 3	
Recommended semester: 2., 4.	
Educational level: II.	
Prerequisites:	
Course requirements: The Department of Languages determines the number of acceptable absences as follows: two absences (four in the case of a 4-hour subsidy if the two two-hour-sessions are taught continuously in one week) are acceptable without the obligation to submit the proof of non-attendance. In case of another (i.e. third/fifth) absence, a notice of conditional exclusion from the course follows. A subsequent absence (i.e. the fourth/sixth absence) means the final exclusion from the course. In case of serious health problems, representation abroad, or other unforeseen circumstances or serious circumstances not listed here, it is necessary to discuss this in advance with the teacher and agree on appropriate an course of action. Assessment: 100 % - 91 % - A, 90 % - 81 % - B, 80 % - 73 % - C, 72 % - 66 % - D, 65 %-60 % - E, 59 % and less – FX	
Learning outcomes: The course helps students understand how to utilise creative writing in educational process. It focuses on the didactic aspects of creative writing as a method that can be used in teaching of Slovak language and literature, foreign language and literature as well as in teaching of other social sciences and humanities at all levels of education. Creative writing is presented as a creative methodology, which fosters the development of learner's capacities to research and explore creatively and which cultivates the personality of a learner by means of self-expression, self-understanding, self-reflection and self-learning. The key theoretical assumptions lying behind the creative writing approach will be introduced, but the main focus will be learning by doing – students will practise writing in a wide range of creative activities and etudes. After finishing the course the students will <ul style="list-style-type: none"> • get an overview of what creativity is and what are the basic principles of enhancing creativity at schools; • learn some techniques enhancing general writing competence as well as literary competence, • be able to reflect on the creative process and creative products, • be able to apply the learned knowledge and skills to their own academic and creative activities. The course can be opted for mainly by students of pre-service teacher training programmes.

Course ID: FiF.KAA/A-muAN-595/15	Course title: Master's Degree Thesis Defence
Number of credits: 14	
Educational level: II.	
<p>Course requirements:</p> <p>All matters pertaining to state examination are set out in Article 14 of the Study Regulations of the Faculty of Arts.</p> <p>In the master's study programmes, the state examination consists only of the defence of the Master's thesis. The student chooses the department as a training centre which corresponds to the discipline within which he/she wants to write the final thesis. He/she reports this choice by the deadline set by the department, provided that he/she is able to find a supervisor and a suitable topic in the relevant department.</p> <p>For the successful defence of the Master's thesis as the subject of the state examination in the master's degree programmes conducted at the Department of British and American Studies, students will receive credits according to the current study plan (currently 14 credits).</p> <p>Requirements for the admission to the defence are as follows:</p> <ul style="list-style-type: none"> - fulfillment of the requirements of the study plan concerning the prescribed composition of courses and their credit value so that after awarding the credits for the state examination the student obtains the required number of credits for the master's degree; - submission of the Master's thesis (electronically via the academic information system AIS) by the thesis submission deadline corresponding to the relevant state examination period according to the academic year schedule set by the faculty. <p>The thesis is evaluated by the standard grading scale (0-59% -FX, 60-67% -E, 68-75% -D, 76-83% -C, 84-91% -B, 92-100% -A) by the supervisor of the thesis and the designated opponent in the assessment reports, which are available to the student no later than 3 working days before the state examination.</p> <p>The supervisor's report shall also include the percentage of compliance results from the originality check protocols (CRZP, Theses), which must be explicitly evaluated by the supervisor with the wording "the thesis shows/does not show signs of plagiarism".</p> <p>The Master's thesis will take the following form:</p> <p>The defence will consist of a thesis presentation (the student chooses the form of the defence, the PPT format can also be used) and the student's response to a broader theoretical question, which is assigned to the student by the supervisor upon the Master's thesis submission. The supervisor will include this question in the assessment report as one of the points of discussion for the defence; it will also be included in the defence report.</p> <p>The thesis presentation must:</p> <ul style="list-style-type: none"> - Include a clearly articulated thesis statement, - have a clear and logical structure of argumentation and findings, - reflect a new perspective on the issue as a result of adequate and appropriate work with the findings gained through own research, the conclusions of which the student is able to present and formulate. <p>The criteria for the evaluation (of the defence) of the Master's thesis at the Department of British and American Studies are as follows:</p>	

<ul style="list-style-type: none"> - Quality of the Master's thesis (originality, significance of the analysis, clear formulation of the scientific problem and hypotheses under study, scope of the professional and scientific literature used), - the adequacy of the methodological approach to the topic under study, the analysis logically and coherently answers the research questions, - systematic and logical summary of the results of the analysis, - compliance with citation standards (MLA...), - language level of the presentation (academic language at least at B2 level), - quality of the presentation and communication skills. <p>The evaluation of the thesis will include the areas below with the corresponding weighting (out of 100):</p> <p>PART A: CONTENT</p> <ul style="list-style-type: none"> • Overall structure and organization (adequacy, scope, objectivity, coherence, cohesion) 15 • Theoretical knowledge related to the research topic 15 • Methodology (identifying concepts, research problems, aims, tasks, choosing adequate methods) 15 • Analysis (quality, depth, complexity) 15 • Originality and contribution (degree of originality, own contribution to knowledge) 10 <p>PART B: FORM</p> <ul style="list-style-type: none"> • Adequate work with information sources (extent, structure, reliability, adequacy, compliance with a citation style) 15 • Language and style 10 • Typography and layout 5 <p>Scale of assessment (preliminary/final): 0/100 (%)</p>
<p>Learning outcomes:</p> <ul style="list-style-type: none"> • Upon successful completion of the defence, students will be familiar with the basic requirements for academic writing and with the rules of academic integrity. • They will have mastered the theory of working with sources and have the skills to compile correct bibliographic entries. • They will have understood the principles of writing a Master's thesis, both in terms of form and content, as laid out by the university's regulations. • They will have understood the causes of plagiarism, they will be able to recognize its types and know how to avoid it. • They will have sufficient research skills to obtain, process, and interpret sources. • They will have mastered the basics for writing a Master's thesis. • They will have a deep knowledge of the thesis topic and will be able to approach it both critically and creatively.
<p>Class syllabus:</p> <ol style="list-style-type: none"> 1. The student presents the Master's thesis in front of the state examination committee, the supervisor and the opponent of the Master's thesis, and those present. 2. The student responds to the comments and questions in the assessments. 3. The student responds to the questions of the state examination committee or the questions in a broader debate. 4. A closed vote of the state examination committee on the evaluation of the Master's thesis defence. 5. Announcement of the evaluation (of the thesis defence) of the Master's thesis.

COURSE DESCRIPTION

Academic year: 2021/2022	
University: Comenius University Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KGNŠ/A-muNE-590/15	Course title: Teacher Training in German Language and Literature 2
Educational activities: Type of activities: practice Number of hours: per week: per level/semester: 2t Form of the course: on-site learning, distance learning	
Number of credits: 2	
Recommended semester: 2.	
Educational level: D, II., N	
Prerequisites:	
Course requirements: a) during the teaching part (continuously): Before the beginning of the teaching practice at the beginning of the semester, an introductory meeting with mandatory participation is held, the content of which is to familiarize with the course of the practice and the conditions for its completion. Completion of 9 visits and the teaching of one lesson or teaching sequence and the completion of analyses at the training school is compulsory. Upon completion of the practicum, students submit a practicum report focusing on selected aspects of the teaching observation, which is handed in to the didactic teacher responsible for the organisation of the practicum. Absences from group visits are only accepted in justified cases with documented evidence and are made up where possible. The student must achieve a minimum success rate of 60%. (b) In the examination period: 100% pass mark. Violation of academic ethics will result in the nullification of the points earned in the relevant assessment item. Grading Scale. A: 100 - 91%, B: 90 - 81%, C: 80 - 73%, D: 72 - 66%, E: 65 - 60%, Fx: 59 - 0% The exact dates of the practicum and the practicum school will be announced at the beginning of the semester. Scale of assessment (preliminary/final): 100/0	
Learning outcomes: The student has the ability to observe German teaching in detail, to focus on selected aspects of the observation and to produce a protocol of practice. The student is able to reflect on teaching and can ask questions about the observation as part of the analysis. The student can prepare a lesson for a specific group/class and teach it adequately. He/she has the ability to carry out a self-reflection of his/her teaching, highlighting positive moments and analysing problematic steps.	
Class syllabus: Before the beginning of the teaching practice at the beginning of the semester, an introductory meeting is held at the faculty with compulsory participation, the content of which is familiarization with the course of the practice and the conditions for its completion. Students will complete 2 teaching practicum experiences in selected practicum schools under the supervision of a practicum teacher in groups. The practice includes a visit to 9 lessons and the teaching of one lesson or teaching sequence and a debriefing with the trainee teacher. On completion of the practice placement, the	

student submits a practice placement report to the didactician responsible for the organisation of the practice placement, focusing on selected aspects of the teaching observation.
