

## Course descriptions

### TABLE OF CONTENTS

|                                                                                                                                               |    |
|-----------------------------------------------------------------------------------------------------------------------------------------------|----|
| 1. PriF-DSSZ-123/12 A chapter in a scientific monograph issued by a Slovak publisher.....                                                     | 3  |
| 2. PriF-DSSZ-122/12 A chapter in a scientific monograph issued by a foreign publisher.....                                                    | 4  |
| 3. PriF-DSSZ-134/12 A citation in a Slovak publication,unregisterd in citation indices.....                                                   | 5  |
| 4. PriF-DSSZ-133/12 A citation in a foreign publication, unregistered in citation indices.....                                                | 6  |
| 5. PriF-DSSZ-132/12 A citation in a publication registered in the Web of Science citation indices and in the SCOPUS databale.....             | 7  |
| 6. PriF-DSSZ-126/12 A publication in a Slovak peer-reviewed,non current contents journal.....                                                 | 8  |
| 7. PriF-DSSZ-125/12 A publication in a foreign peer-reviewed, non current contents journal.....                                               | 9  |
| 8. PriF-DSSZ-124/12 A publication in a peer-reviewed scientific journal.....                                                                  | 10 |
| 9. PriF-DSSZ-121/12 A scientific monograph or an equivalent scientific study issued by a Slovak publisher.....                                | 11 |
| 10. PriF-DSSZ-120/12 A scientific monograph or an equivalent scientific study issued by a foreign publisher.....                              | 12 |
| 11. PriF-DSSZ-127/12 A scientific paper in a peer-reviewed foreign collective volume or a monograph.....                                      | 13 |
| 12. PriF-DSSZ-135/13 A scientific paper in foreign journals registered in the Web of Science or SCOPUS databases.....                         | 14 |
| 13. PriF-DSSZ-136/13 A scientific paper in Slovak journals registered in the Web of Science or SCOPUS databases.....                          | 15 |
| 14. PriF-DSSZ-128/12 A scientific paper in a peer-reviewed Slovak collective volume or monograph.....                                         | 16 |
| 15. PriF-DSSZ-130/12 An abstract for a Slovak hosted conference.....                                                                          | 17 |
| 16. PriF-DSSZ-129/12 An abstract for a conference abroad.....                                                                                 | 18 |
| 17. PriF-DSSZ-211/12 Authorship in a university textbook and study texts.....                                                                 | 19 |
| 18. PriF-DSSZ-212/12 Authorship in a chapter in a university textbook and study texts.....                                                    | 20 |
| 19. PriF-DSSZ-109/12 Comenius University grant for young scientific researchers or its equivalent.....                                        | 21 |
| 20. PriF-DSSZ-131/12 Copyright certificates, patents and findings.....                                                                        | 22 |
| 21. PriF-DSSZ-001/12 Dissertation 1.....                                                                                                      | 23 |
| 22. PriF-DSSZ-002/12 Dissertation 2.....                                                                                                      | 24 |
| 23. PriF-DSSZ-003/12 Dissertation 3.....                                                                                                      | 25 |
| 24. PriF-DSSZ-004/12 Dissertation 4.....                                                                                                      | 26 |
| 25. PriF-DSSZ-005/12 Dissertation 5.....                                                                                                      | 27 |
| 26. PriF-DSSZ-006/12 Dissertation 6.....                                                                                                      | 28 |
| 27. PriF-DSSZ-007/12 Dissertation 7.....                                                                                                      | 29 |
| 28. N-DBMI-006/20 Doktorandský seminár z mikrobiológie 1.....                                                                                 | 30 |
| 29. N-DBMI-007/20 Doktorandský seminár z mikrobiológie 2.....                                                                                 | 31 |
| 30. N-DBMI-008/20 Doktorandský seminár z mikrobiológie 3.....                                                                                 | 32 |
| 31. PriF-DBMI-303/12 Formal interview on dissertation thesis ( <b>state exam</b> ).....                                                       | 33 |
| 32. PriF-DSSZ-110/12 Grant from the Faculty of Natural Sciences for doctoral students, Grant from the SAS or any equivalent of these two..... | 34 |
| 33. PriF-DSSZ-213/12 Internship abroad.....                                                                                                   | 35 |
| 34. N-DBMI-001/09 Microbiology.....                                                                                                           | 36 |
| 35. PriF-DBMI-304/12 Microbiology ( <b>state exam</b> ).....                                                                                  | 37 |
| 36. N-DBMI-002/09 Molecular biology of Microorganisms.....                                                                                    | 38 |
| 37. PriF-DBMI-305/12 Molecular biology of microorganisms ( <b>state exam</b> ).....                                                           | 39 |
| 38. PriF-DSSZ-302/12 Oral defence of dissertation thesis ( <b>state exam</b> ).....                                                           | 40 |

|                                                                                                         |    |
|---------------------------------------------------------------------------------------------------------|----|
| 39. PriF-DSSZ-008/15 Oral defence of dissertation thesis (Dissertation 8).....                          | 41 |
| 40. PriF-DSSZ-119/12 Other activities.....                                                              | 42 |
| 41. N-DSSZ-018/13 Professional Oral Communication.....                                                  | 43 |
| 42. N-DSSZ-019/13 Professional Oral Communication.....                                                  | 44 |
| 43. PriF-DSSZ-206/12 Review of Bachelor's work ( qualifying thesis for the Bachelor's degree).....      | 45 |
| 44. N-DSSZ-016/12 Scientific English.....                                                               | 46 |
| 45. N-DSSZ-022/20 Slovak for Foreign Doctoral Students 1.....                                           | 47 |
| 46. N-DSSZ-023/20 Slovak for Foreign Doctoral Students 2.....                                           | 49 |
| 47. N-DSSZ-024/20 Slovak for Foreign Doctoral Students 3.....                                           | 51 |
| 48. PriF-DSSZ-205/12 Supervision of Bachelor's work ( qualifying thesis for the Bachelor's degree)..... | 53 |
| 49. PriF-DSSZ-207/12 Supervision of student's participation in the Students' Scientific Conference..... | 54 |
| 50. PriF-DSSZ-214/13 The doctoral student's pedagogical activities.....                                 | 55 |
| 51. N-DSSZ-017/13 Writing Professional English.....                                                     | 56 |
| 52. PriF-DSSZ-018/13 Writing Professional English.....                                                  | 57 |

## COURSE DESCRIPTION

|                                                                                                                                                                           |                                                                                          |

| <b>Course requirements:</b><br>Type, extent and method of academic activities: 2 hours (at 60 min. per hour) of weekly lessons in the form of seminars. All academic activities will take place during the lessons.<br>Number of credits: 3 credits<br>Recommended semester/trimester of study: from 1st to 8th semester<br>Level of study: third<br>Subject conditions: -<br>Requirements for course completion: active participation during lessons, ongoing work on the assignments. There will be a final examination at the end of the semester.<br>Scale of assessment (preliminary/final): Credits will not be awarded to students who receive less than 60% on the final examination. |                                                                |
| <b>Learning outcomes:</b><br>The objective of the course is to acquire the basics of Slovak in a communicative way, to develop individual language skills (listening, reading, writing and speaking) based on the Common European Framework of Reference for Languages (CEFR) for the level A1 - complete beginner.                                                                                                                                                                                                                                                                                                                                                                           |                                                                |
| <b>Class syllabus:</b><br>The lessons contain the basics of Slovak grammar which are relevant to the specifics of Slovak as a foreign language. Selected grammatical phenomena, conjugation and declination are practised. Vocabulary is focused on real-life communication needs.                                                                                                                                                                                                                                                                                                                                                                                                            |                                                                |

| <b>Course requirements:</b><br>Type, extent and method of academic activities: 2 hours (at 60 min. per hour) of weekly lessons in the form of seminars. All academic activities will take place during the lessons.<br>Number of credits: 3 credits<br>Recommended semester/trimester of study: from 1st to 8th semester<br>Level of study: third<br>Subject conditions: Slovak for Foreign Doctoral Students 1<br>Requirements for course completion: active participation during lessons, ongoing work on the assignments. There will be a final examination at the end of the semester.<br>Scale of assessment (preliminary/final): Credits will not be awarded to students who receive less than 60% on the final examination. |                                                                |
| <b>Learning outcomes:</b><br>Course Objectives: The objective of the course is to acquire the basics of Slovak in a communicative way, to develop individual language skills (listening, reading, writing and speaking) based on the Common European Framework of Reference for Languages (CEFR) for the level A1 - intended for beginner or pre-intermediate.                                                                                                                                                                                                                                                                                                                                                                     |                                                                |
| <b>Class syllabus:</b><br>The lessons contain the basics of Slovak grammar which are relevant to the specifics of Slovak as a foreign language. Selected grammatical phenomena, conjugation and declination are practised. Vocabulary is focused on real-life communication needs.                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                |

| <b>Course requirements:</b><br>Type, extent and method of academic activities: 2 hours (at 60 min. per hour) of weekly lessons in the form of seminars. All academic activities will take place during the lessons.<br>Number of credits: 3 credits<br>Recommended semester/trimester of study: from 1st to 8th semester<br>Level of study: third<br>Subject conditions: Slovak for Foreign Doctoral Students 2<br>Requirements for course completion: active participation during lessons, ongoing work on the assignments. There will be a final examination at the end of the semester.<br>Scale of assessment (preliminary/final): Credits will not be awarded to students who receive less than 60% on the final examination. |                                                                |
| <b>Learning outcomes:</b><br>The objective of the course is to acquire the basics of Slovak in a communicative way, to develop individual language skills (listening, reading, writing and speaking) based on the Common European Framework of Reference for Languages (CEFR) for the levels A1 – A2. Intended for levels A1-A2, beginner to pre-intermediate                                                                                                                                                                                                                                                                                                                                                                      |                                                                |
| <b>Class syllabus:</b><br>The lessons contain the basics of Slovak grammar which are relevant to the specifics of Slovak as a foreign language. Selected grammatical phenomena, conjugation and declination are practised. Vocabulary is focused on real-life communication needs.                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                |
