STATE EXAM DESCRIPTION

Academic year: 2023/2024	
University: Comenius University Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KSF/A-boSV-990/18	Course title: Bachelor's Degree Thesis Defence
Number of credits: 12	
Educational level: I.	
Course requirements: The student must submit the bachelor's thesis within the deadline specified in the schedule of the current academic year for the relevant date of the state exam. The bachelor thesis is submitted in electronic form via AIS. The work must meet the parameters determined by the internal quality system of Comenius University. The provisions of Article 14 of Internal Regulation no. 5/2020 (Study Regulations of the Faculty of Arts of Comenius University) apply to the evaluation of the bachelor's thesis. The supervisor of the final thesis and its opponent will prepare evaluations of the bachelor's thesis and propose a grade in the A-FX grading scale, which the student receives a minimum of three working days before the defence. Grading scale: 0-59% -FX, 60-67% -E, 68-75% -D, 76-83% -C, 84-91% -B, 92-100% -A Bachelor thesis evaluation criteria: 1. The contribution of the bachelor's thesis, the fulfilment of the goals of the thesis in its assignment, and the requirements for the content of the bachelor's thesis given by the internal quality system of Comenius University. The following is assessed: demonstration of knowledge and skills, ability to work creatively in the study program, ability applied in the collection, interpretation, and processing of basic scientific literature; in the case of an empirically oriented bachelor's thesis also mastering the application of theoretical principles in practice and verifiability of hypotheses. 2. Originality of the work (bachelor thesis must not be plagiarized, must not infringe the copyrights of other authors); the documentation for the defence of the bachelor's thesis also includes protocols of originality from the CRZP and Theses systems, to the results of which the thesis supervisor and the opponent express their opinions in their evaluations. 3. Correctness and accuracy of citation of used information sources, research results of other authors and group authors, correctness of the description of methods and working procedures of other authors or group authors. 4. Compliance of the structure of the bachelor's thesis with the prescribed composition defined by the internal quality system of Comenius University. 5. Respecting the recommended length of the bachelor's thesis (the recommended length of the bachelor's thesis is usually 30 – 40 standard pages = 54,000 to 72,000 characters, including spaces), the adequacy of the length of the thesis is assessed by the thesis supervisor. 6. Linguistic and stylistic level of work and formal adjustments. The student orally presents the content, achieved goals, and conclusions of the bachelor's thesis, and answers the questions and comments of the thesis supervisor, opponent, or members of the examination committee. The committee will comprehensively evaluate the quality of the bachelor's thesis, assess the method and form of defence, and the student's ability to adequately respond to comments and questions from the evaluations of the thesis supervisor and the opponent. The student receives their final grade based on the average of the assessment of the thesis supervisor and opponent from their evaluations, and the assessment of the examination committee.	

Scale of assessment (preliminary/final): 0/100
Learning outcomes: The student has mastered the basic requirements of writing a scientific text in compliance with the rules of academic ethics, is able to work creatively in the field of study in which he completed the study program, and has adequate knowledge and understanding of the relevant issues. The student can apply his skills in the collection, interpretation, and processing of basic scientific literature, or even in its application in practice, or has the ability to solve a partial task related to the focus of the bachelor's thesis. After a successful defence of the bachelor's thesis, the student is able to logically deal with the theoretical background of the bachelor's thesis and respond to questions relating to the relevant issues.
Class syllabus: 1. Student presents the bachelor's thesis (app. 10 minutes) in front of the committee for state exams. A ppt presentation can be prepared, which is not necessary. 2. Presentation of the main points of the supervisor's and oponent's reviews, possibly also the questions arising from them. 3. The student's respond to comments and questions in the reviews. 4. The student responds to the questions of the committee for state exams or the questions in a broader debate.

COURSE DESCRIPTION

Academic year: 2023/2024	
University: Comenius University Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KSF/bSV-018/22	Course title: Croatian Literature 1
Educational activities: Type of activities: seminar Number of hours: per week: 2 per level/semester: 28 Form of the course: on-site learning	
Number of credits: 3	
Recommended semester: 3.	
Educational level: I.	
Prerequisites:	
Course requirements: a) Mid-term assessment during the instruction period: a paper on a selected topic related to the issues of older Croatian literature (30 points). b) During the examination period: written exam (70 points). Students may only be admitted to the exam after receiving at least 18 points in their mid-term assessment. Classification scale: A: 100 - 93 % B: 92 - 84 % C: 83 - 76 % D: 75 - 68 % E: 67 - 60 % Fx: 59 - 0 % The exact date of the mid-term assessment and the available paper topics will be announced at the beginning of the semester. Students will be notified about the dates of the exam via AiS no later than the last week of the instruction period. A maximum of two documented absences is allowed. Violation of academic ethics will be punished, and the student will lose all the received points in the relevant part of the assessment. Scale of assessment (preliminary/final): 30/70	
Learning outcomes: Upon successful completion of the course, students have valuable knowledge about the history of Croatian literature from its earliest times to the beginning of the 18th century. They are familiar with the circumstances attending the inception of the first written Glagolitic manuscripts as a basic precondition for the origin and development of Croatian literary culture; they can identify the social functions of the mentioned literary texts and place them in the correct historical context. They also know the social circumstances attending the origin of humanistic and renaissance literature in individual social stages starting from the late Middle Ages up to the period of Classicism. In this way, students gain substantial knowledge about the development of older Croatian literature and get a more detailed insight into the period of Croatian literature that starts with the origins of Croatian writing and ends at the beginning 18th century.
