STATE EXAM DESCRIPTION

Academic year: 2023/2024	
University: Comenius University Bratislava	
Faculty: Faculty of Arts	
Course ID: FiF.KRom/A-mpSP-26/15	Course title: Spanish Literature and Culture
Number of credits: 3	
Educational level: II.	
Course requirements: The student can take the state exam a) after obtaining at least such number of credits that after obtaining credits for successful completion of state exams, they achieve the necessary number of credits for the proper completion of studies, b) after successful completion of compulsory subjects, compulsory elective subjects, and elective subjects in the composition determined by the study program, c) after fulfilling the student's obligations arising from § 71, par. 3 letter b of the Higher Education Act, d) if no disciplinary action is taken against them. Successful completion of the state exam is one of the conditions for successful completion of the study program. The subject of the state exam is evaluated by the committee for state exams using the grading scale A-FX. The evaluation of the state examination or its part is decided by the examination committee by consensus. If the examination committee does not reach a consensus, the evaluation of the state examination or its part is decided by voting. On the basis of the wording of the study regulations of the faculty (Internal Rules and Regulations 5/2020, Art. 15), the framework dates of state examinations are set by the dean in accordance with the faculty's academic schedule. Departments are obliged to publish the dates of their state exams on the website no later than 5 weeks before they take place. The student registers for the state exam through the academic information system (AIS) at least three weeks before it takes place. The student is entitled to one regular and two resit attempts of the state exam. The regular attempt is the one for which the student applied for the first time within the deadline set for state exams. If the student was evaluated with the FX mark on the regular attempt of the state exam, the student may take resits of the state exam a) on the following dates assigned for state examinations in the relevant academic year or b) on the dates assigned for state examinations in one of the following academic years in accordance with § 65, par. 2 of the Higher Education Act. If the student is unable to come on the day of the state exam for which they have registered on serious grounds, they are obliged to apologize in writing to the chairman of the examination committee in advance or no later than three working days after the date of the state examination or its part, if there were serious obstacles that prevented them to do so in advance. If the student does not attend the state examination or its part without an excuse within the specified period, or if the chairman of the examination committee does not accept their excuse, they are assessed with the FX grade from that attempt of the state exam. Scale of assessment (preliminary/final): Scale of assessment (preliminary/final): 0/100	
Learning outcomes:	

The examination consists of a test of knowledge of Spanish literature and culture, putting an emphasis on the ability to creatively use the acquired theoretical knowledge while interpreting literary works and movements, searching for broader literary and historical contexts.

Class syllabus:

1. The student arrives on the registered date of the state exam according to the schedule set by the department.
2. The student receives a question from the subject of the state exam, which is submitted in writing and anonymously in the form of a random selection from printed questions or a generator.
3. The examination committee will give the student reasonable time to prepare an oral answer to the question.
4. The student presents the prepared answer to the question in front of the examination committee and answers the additional questions.
5. After the student finishes their answer, the examination committee decides on the results of the state exam in a closed session of the examination committee.

The course of the state exam and the announcement of its results are public.

The student is entitled to one regular and two resit attempts of the state exam. The regular attempt is the one for which the student applied for the first time within the deadline set for state exams. If the student was evaluated with the FX mark on the regular attempt of the state exam, the student may take resits of the state exam a) on the following dates assigned for state examinations in the relevant academic year or b) on the dates assigned for state examinations in one of the following academic years in accordance with § 65, par. 2 of the Higher Education Act. If the student is unable to come on the day of the state exam for which they have registered on serious grounds, they are obliged to apologize in writing to the chairman of the examination committee in advance or no later than three working days after the date of the state examination or its part, if there were serious obstacles that prevented them to do so in advance. If the student does not attend the state examination or its part without an excuse within the specified period, or if the chairman of the examination committee does not accept their excuse, they are assessed with the FX grade from that attempt of the state exam. Scale of assessment (preliminary/final): Scale of assessment (preliminary/final): 0/100	
Learning outcomes:	

Passing the state examination confirms that the student has acquired the required level of interpreting and translating competence.
Class syllabus: Translation part: The student will be given a popular-science text in Spanish of less than 1 standard page to translate into Slovak. The examination board will give the student a reasonable amount of time to translate, roughly 60 minutes. The translation will be produced on a computer and sent via MS Teams to the Board. The use of dictionaries is allowed. Interpreting part: The student will interpret in both directions (ES -> SK, SK -> ES). He/she can choose for which type of interpreting they will treat Slovak as the source/target language. 1. Consecutive interpreting: 3–5-minute speech, genre: journalistic, with an emphasis on current political events. Specialised terminology used will be announced in advance. 2. Simultaneous interpreting: 10-minute speech, journalistic, with an emphasis current political events. Specialised terminology used will be announced in advance.
