The supervisor will include this question in the assessment report as one of the points of discussion for the defence; it will also be included in the defence report.</p> <p>The thesis presentation must:</p> <ul style="list-style-type: none">- Include a clearly articulated thesis statement,- have a clear and logical structure of argumentation and findings,- reflect a new perspective on the issue as a result of adequate and appropriate work with the findings gained through own research, the conclusions of which the student is able to present and formulate. <p>The criteria for the evaluation (of the defence) of the bachelor's thesis at the Department of British and American Studies are as follows:</p>	

- Quality of the bachelor's thesis (originality, significance of the analysis, clear formulation of the scientific problem and hypotheses under study, scope of the professional and scientific literature used),
